STUDENT SHUTTLE VAN
FORD TRANSIT

SHUTTLE FEATURES

- **Automatic or Manual Passenger Door Opener**
  - Automatic - Simple Push-Button Option
  - Manual - Cost-Efficient Option
- **Nine Student Capacity - Rear Seating**
- **High Output Rear A/C**
- **3 Point Seats (Vinyl and Easy to Clean)**
- **White and Yellow Shuttle Colors Available**

The perfect alternative to traditional buses! The Sunset Vans Student Shuttle Van, built on the dependable Ford Transit platform, is thoughtfully designed for safe and efficient student transportation. Inside, the SV Easy Clean ABS Interior Kit and commercial grade Altro Flooring make cleaning quick and hassle-free. Students stay cool and comfortable thanks to the high output rear A/C and high-quality Freedman Seating. The SV Seat Support System enhances passenger safety, while 3-point vinyl seats offer easy maintenance and durability. With a maximum rear seating capacity of nine students, the layout is both spacious and efficient. Boarding is made simple with SV Heavy Duty Running Boards and an available automatic or manual passenger door opener. The van comes in either white or yellow to suit various fleet needs. Backed by a 3-year/36,000-mile upfit warranty, it's a reliable solution built to handle the demands of daily school routes.

SUNSET VANS

SUNSET VANS

STUDENT SHUTTLE VAN
FORD TRANSIT 150

Offering a more cost-effective and versatile option for smaller student groups, the Sunset Vans Shuttle's compact size allows for easier maneuverability and parking, especially in tight or urban areas. Best of all, it does not require a commercial driver's license in most states, making staffing and training significantly more flexible.
