The perfect compact option

The Sunset Vans Chrysler Voyager is a safe, reliable, and comfortable ride for your family or business. Its compact size makes it suitable for smaller residential parking spots, daily outings, and home garages. The rear ramp entrance and exit are at their maximum height to allow various mobility chairs to easily load and unload in the vehicle, eliminating any force or struggle. Our ramp allows for an easy fold-out and a synonymous hassle-free stow-away process. The Chrysler Voyager is ready for any everyday drive or spontaneous adventure coming its way.
